

How To Immediately Increase Sales

By Joe Heller, High Performance Sales Coach

The question I am asked most is this. "What can I immediately do to dramatically increase sales and build my business?"

Whether you run a entrepreneurial enterprise, there are just four ways to build any business.

You must either:

- (1) Increase the rate that you acquire new customers;
- (2) Increase the size of sale to each customer;
- (3) Have customers buy from you more often (shortening the sales cycles)
- (4) Reduce attrition to increase your customer's lifetime value.

Ideally you should work on all four.

Let me know of your experience with these revenue builders and your story could show up on these pages.

One final note; in order to become a successful in selling you must become an avid student of what works in selling. I developed the Revenue Warrior Selling System (TM) to give you a competitive advantage and succeed against your most challenging competition.
